## BILL

1     **AN ACT** *to renumber and amend* 93.49 (3) (a); and *to create* 93.49 (3) (a) 1. of  
2     the statutes; **relating to:** farm to school grants and making an appropriation.

---

***Analysis by the Legislative Reference Bureau***

This bill requires that in awarding grants under the farm to school program, the Department of Agriculture, Trade and Consumer Protection must give preference to school districts that have a high percentage of students that are eligible for free or reduced-price lunches under federal law. Current law requires DATCP to promote farm to school programs, which connect schools with nearby farms to provide children with locally produced foods in school meals.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
