## 2021 BILL

1 AN ACT *to create* 601.575 of the statutes; **relating to:** prescription drug  
2 importation program.

---

*Analysis by the Legislative Reference Bureau*

This bill requires the commissioner of insurance, in consultation with persons interested in the sale and pricing of prescription drugs and federal officials and agencies, to design and implement a prescription drug importation program for the benefit of and that generates savings for Wisconsin residents. The bill establishes requirements for the program, including all of the following: the commissioner must designate a state agency to become or contract with a licensed wholesale distributor and seek federal certification and approval to import prescription drugs; the importation program must comply with certain federal regulations and import from Canadian suppliers only prescription drugs that are not brand-name drugs, have fewer than four competitor drugs in this country, and for which importation creates substantial savings; the commissioner must ensure that prescription drugs imported under the program are not distributed, dispensed, or sold outside of Wisconsin; and the importation program must have an audit procedure to ensure the program complies with certain requirements specified in the bill. Before submitting the proposed implementation program to the federal government for certification, the commissioner must submit the proposed importation program to JCF for its approval.

**BILL**

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1           **SECTION 1.** 601.575 of the statutes is created to read:

2           **601.575 Prescription drug importation program.** (1) IMPORTATION  
3 PROGRAM REQUIREMENTS. The commissioner, in consultation with persons interested  
4 in the sale and pricing of prescription drugs and appropriate officials and agencies  
5 of the federal government, shall design and implement a prescription drug  
6 importation program for the benefit of residents of this state, that generates savings  
7 for residents, and that satisfies all of the following:

8           (a) The commissioner shall designate a state agency to become a licensed  
9 wholesale distributor or to contract with a licensed wholesale distributor and shall  
10 seek federal certification and approval to import prescription drugs.

11           (b) The prescription drug importation program under this section shall comply  
12 with relevant requirements of 21 USC 384, including safety and cost savings  
13 requirements.

14           (c) The prescription drug importation program under this section shall import  
15 prescription drugs from Canadian suppliers regulated under any appropriate  
16 Canadian or provincial laws.

17           (d) The prescription drug importation program under this section shall have  
18 a process to sample the purity, chemical composition, and potency of imported  
19 prescription drugs.

20           (e) The prescription drug importation program under this section shall import  
21 only those prescription drugs for which importation creates substantial savings for

**BILL**

1 residents of the state and only those prescription drugs that are not brand-name  
2 drugs and that have fewer than 4 competitor prescription drugs in the United States.

3 (f) The commissioner shall ensure that prescription drugs imported under the  
4 program under this section are not distributed, dispensed, or sold outside of the  
5 state.

6 (g) The prescription drug importation program under this section shall ensure  
7 all of the following:

8 1. Participation by any pharmacy or health care provider in the program is  
9 voluntary.

10 2. Any pharmacy or health care provider participating in the program has the  
11 appropriate license or other credential in this state.

12 3. Any pharmacy or health care provider participating in the program charges  
13 a consumer or health plan the actual acquisition cost of the imported prescription  
14 drug that is dispensed.

15 (h) The prescription drug importation program under this section shall ensure  
16 that a payment by a health plan or health insurance policy for a prescription drug  
17 imported under the program reimburses no more than the actual acquisition cost of  
18 the imported prescription drug that is dispensed.

19 (i) The prescription drug importation program under this section shall ensure  
20 that any health plan or health insurance policy participating in the program does all  
21 of the following:

22 1. Maintains a formulary and claims payment system with current information  
23 on prescription drugs imported under the program.

**BILL****SECTION 1**

1           2. Bases cost-sharing amounts for participants or insureds under the plan or  
2 policy on no more than the actual acquisition cost of the prescription drug imported  
3 under the program that is dispensed to the participant or insured.

4           3. Demonstrates to the commissioner or a state agency designated by the  
5 commissioner how premiums under the policy or plan are affected by savings on  
6 prescription drugs imported under the program.

7           (j) Any wholesale distributor importing prescription drugs under the program  
8 under this section shall limit its profit margin to the amount established by the  
9 commissioner or a state agency designated by the commissioner.

10          (k) The prescription drug importation program under this section may not  
11 import any generic prescription drug that would violate federal patent laws on  
12 branded products in this country.

13          (L) The prescription drug importation program under this section shall comply  
14 to the extent practical and feasible, before the prescription drug to be imported comes  
15 into the possession of the state's wholesale distributor and fully after the prescription  
16 drug to be imported is in the possession of the state's wholesale distributor, with  
17 tracking and tracing requirements of 21 USC 360eee to 360eee-1.

18          (m) The prescription drug importation program under this section shall  
19 establish a fee or other mechanism to finance the program that does not jeopardize  
20 significant savings to residents of the state.

21          (n) The prescription drug importation program under this section shall have  
22 an audit function that ensures all of the following:

23           1. The commissioner has a sound methodology to determine the most  
24 cost-effective prescription drugs to include in the importation program under this  
25 section.

**BILL**

1           2. The commissioner has a process in place to select Canadian suppliers that  
2           are high quality, high performing, and in full compliance with Canadian laws.

3           3. Prescription drugs imported under the program are pure, unadulterated,  
4           potent, and safe.

5           4. The prescription drug importation program is complying with the  
6           requirements of this subsection.

7           5. The prescription drug importation program under this section is adequately  
8           financed to support administrative functions of the program while generating  
9           significant cost savings to residents of the state.

10          6. The prescription drug importation program under this section does not put  
11          residents of the state at a higher risk than if the program did not exist.

12          7. The prescription drug importation program under this section provides and  
13          is projected to continue to provide substantial cost savings to residents of the state.

14          **(2) ANTICOMPETITIVE BEHAVIOR.** The commissioner, in consultation with the  
15          attorney general, shall identify the potential for and monitor anticompetitive  
16          behavior in industries affected by a prescription drug importation program.

17          **(3) APPROVAL OF PROGRAM DESIGN; CERTIFICATION.** No later than the first day of  
18          the 7th month beginning after the effective date of this subsection .... [LRB inserts  
19          date], the commissioner shall submit to the joint committee on finance a report that  
20          includes the design of the prescription drug importation program in accordance with  
21          this section. The commissioner may not submit the proposed prescription drug  
22          importation program to the federal department of health and human services unless  
23          the joint committee on finance approves the proposed prescription drug  
24          implementation program. Within 14 days of the date of approval by the joint  
25          committee on finance of the proposed prescription drug importation program, the

**BILL****SECTION 1**

1 commissioner shall submit to the federal department of health and human services  
2 a request for certification of the approved prescription drug importation program.

3 (4) IMPLEMENTATION OF CERTIFIED PROGRAM. After the federal department of  
4 health and human services certifies the prescription drug importation program  
5 submitted under sub. (3), the commissioner shall begin implementation of the  
6 program, and the program shall be fully operational by 180 days after the date of  
7 certification by the federal department of health and human services. The  
8 commissioner shall do all of the following to implement the prescription drug  
9 importation program to the extent the action is in accordance with other state laws  
10 and the certification by the federal department of health and human services:

11 (a) Become a licensed wholesale distributor, designate another state agency to  
12 become a licensed wholesale distributor, or contract with a licensed wholesale  
13 distributor.

14 (b) Contract with one or more Canadian suppliers that meet the criteria in sub.  
15 (1) (c) and (n).

16 (c) Create an outreach and marketing plan to communicate with and provide  
17 information to health plans and health insurance policies, employers, pharmacies,  
18 health care providers, and residents of the state on participating in the prescription  
19 drug importation program.

20 (d) Develop and implement a registration process for health plans and health  
21 insurance policies, pharmacies, and health care providers interested in participating  
22 in the prescription drug importation program.

23 (e) Create a publicly accessible source for listing prices of prescription drugs  
24 imported under the program.

**BILL**

1 (f) Create, publicize, and implement a method of communication to promptly  
2 answer questions from and address the needs of persons affected by the  
3 implementation of the program before the program is fully operational.

4 (g) Establish the audit functions under sub. (1) (n) with a timeline to complete  
5 each audit function every 2 years.

6 (h) Conduct any other activities determined by the commissioner to be  
7 important to successful implementation of the prescription drug importation  
8 program under this section.

9 **(5) REPORT.** By January 1 and July 1 of each year, the commissioner shall  
10 submit to the joint committee on finance a report including all of the following:

11 (a) A list of prescription drugs included in the importation program under this  
12 section.

13 (b) The number of pharmacies, health care providers, and health plans and  
14 health insurance policies participating in the prescription drug importation program  
15 under this section.

16 (c) The estimated amount of savings to residents of the state, health plans and  
17 health insurance policies, and employers resulting from the implementation of the  
18 prescription drug importation program under this section reported from the date of  
19 the previous report under this subsection and from the date the program was fully  
20 operational.

21 (d) Findings of any audit functions under sub. (1) (n) completed since the date  
22 of the previous report under this subsection.

23 **(6) RULEMAKING.** The commissioner may promulgate any rules necessary to  
24 implement this section.

25 **SECTION 9123. Nonstatutory provisions; Insurance.**

**BILL****SECTION 9123**

1 (1) PRESCRIPTION DRUG IMPORTATION PROGRAM. The commissioner of insurance  
2 shall submit the first report required under s. 601.575 (5) by the next January 1 or  
3 July 1, whichever is earliest, that is at least 180 days after the date the prescription  
4 drug importation program is fully operational under s. 601.575 (4). The  
5 commissioner of insurance shall include in the first 3 reports submitted under s.  
6 601.575 (5) information on the implementation of the audit functions under s.  
7 601.575 (1) (n).

8 (END)
