(3) (a) Before issuing the request for proposal, the department of administration in collaboration with the departments of health services and safety and professional services shall submit to the joint committee on finance the proposed request for proposals described under sub. (1) and a request to supplement in an amount not to exceed \$1,500,000 any appropriation of one of the departments. Notwithstanding the specified purpose of any such appropriation, a supplement under this paragraph may be expended for the purpose of financing the cost of the opioid and methamphetamine data system. If the cochairpersons of the joint committee on finance do not notify the departments within 14 working days after the date of the submission under this paragraph that the committee has scheduled a meeting for the purpose of reviewing the submission, the departments may issue the request for proposals and the proposed supplement is considered approved. If, within 14 working days after the date of the submittal of the proposed request for proposals under this paragraph, the cochairpersons of the committee notify the departments that the committee has scheduled a meeting for the purpose of reviewing the submission, the departments may issue the proposed request for proposals only upon approval by the committee and the supplementation is subject to the committee's approval.

(b) At the time of the departments' submission under par. (a), the departments of health services, children and families, corrections, justice, and safety and professional services may submit to the joint committee on finance suggestions of opioid-related or methamphetamine-related information to collect, analyze, and disseminate in addition to information specified under sub. (1) to assist the agencies in analyzing the behavioral health status of the state's population, reducing relapse of opioid and methamphetamine misuse, improving patient outcomes after opioid or methamphetamine use or overdose, assisting minors who are in out-of-home care, and monitoring health costs related to substance use.

(4) The department of administration shall collaborate with and collect data from the departments of health services, corrections, justice, safety and professional services, and children and families and any other applicable agencies for the opioid and methamphetamine data system under sub. (1).

(5) (a) The department of administration shall administer the contract with the vendor to operate the opioid

and methamphetamine data system and shall have access to the data contained in the opioid and methamphetamine data system. The department of administration shall work with the vendor to disseminate information and advanced analytics from the opioid and methamphetamine data system in as close to real time as possible.

(b) The opioid and methamphetamine data system shall allow the state agencies that submit data to the opioid and methamphetamine data system access to the data in the opioid and methamphetamine data system as

appropriate for the agency to fulfill its functions and as allowed by state and federal confidentiality laws.

**153.89 Reports; opioid and methamphetamine data system.** By January 31, 2024, and annually thereafter, the department of administration shall submit a report to the joint committee on finance summarizing the information from the opioid and methamphetamine data system under s. 153.87 (1) and analyzing trends in that information across years of data collection.
