

The Honorable Tony Evers
Governor of the State of Wisconsin
Room 115 East, State Capitol Building
Madison, WI 53707

Via Hand Delivery

Governor Evers,

Serving the people of Wisconsin as Secretary of State has been the honor of my lifetime. I am so proud of all I have accomplished in my many years of public service, and grateful for the many people I've had the privilege of getting to know in this role. It is with a heavy heart that I submit my resignation as Secretary of State of the State of Wisconsin, effective March 17, 2023. After many years of frustration, I've decided I don't want to spend the next three and a half years trying to run an office without adequate resources and staffing levels. After decades of public service, I must now focus on my personal needs.

Thank you for your partnership in state government.

Sincerely,

Doug La Follette
