2023 WISCONSIN ACT

AN ACT *to create* 321.03 (1) (f) and 321.04 (1) (s) of the statutes; **relating to:** annual reporting to the legislature of sexual harassment and assault that occurs in the Wisconsin National Guard and of changes to the Uniform Code of Military Justice.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council Study Committee on Wisconsin National Guard Sexual Misconduct Procedures. The bill requires the Adjutant General to submit a report, annually, to the Governor and the appropriate standing committees of the Legislature on various topics related to sexual assault and sexual harassment reported by members of the Wisconsin National Guard. The bill also requires the Department of Military Affairs (DMA) to submit a report to the appropriate standing committees of the Legislature describing any substantive changes to the federal Uniform Code of Military Justice (UCMJ) during the prior federal fiscal year.

Sexual Assault and Sexual Harassment Report

This bill requires the adjutant general to submit a report to the Governor and appropriate standing committees of the Legislature annually on several topics related to sexual assault and sexual harassment reported by members of the Wisconsin National Guard. The report must also be made publicly available on DMA's website, and must contain the following information.

First, the report must include data regarding all reported incidents of sexual assault and sexual harassment made by members of the Wisconsin National Guard during the prior federal fiscal year, including the numbers of restricted and unrestricted reports of sexual assault and reports of sexual harassment and historical trends relating to that data for the five previous federal fiscal years. For unrestricted reports of sexual assault and for reports of sexual harassment, the report must include the type of conduct that was reported to have occurred; the duty status of the members involved at the time of the incident; information on the status of the report, includ-

ing whether the case was referred for additional discipline; and a summary of any resolution or discipline taken, including whether criminal charges were referred or filed. The report must protect the privacy of victims of sexual assault and sexual harassment and may not provide any personal identifying information that would allow a victim to be identified.

Second, the report must include a summary of any training provided to members of the Wisconsin National Guard in the preceding year related to preventing and responding to incidents of sexual assault and sexual harassment.

Third, the report must include a summary of any current National Guard Bureau policies related to preventing and responding to incidents of sexual assault and sexual harassment during the previous federal fiscal year, and a description of how those policies are being implemented in the Wisconsin National Guard.

Fourth, the report must include a summary of the current policies and procedures related to preventing and responding to incidents of sexual assault and sexual harassment in the Wisconsin National Guard and any changes made since the prior report.

The report is due by February 1 of each year. The bill further requires that the appropriate standing committees of the Legislature hold a public hearing on the report at least annually.

Report Regarding Changes to UCMJ

Under current law, members of the Wisconsin National Guard on state status are subject to the Wisconsin Code of Military Justice (WCMJ), which codifies offenses that may be punished under the code and establishes procedures for enforcing the code. If on federal status, National Guard members are subject instead to the UCMJ. Although many of the WCMJ's punitive articles parallel those in the UCMJ, the

codes differ in certain respects and any modifications Congress makes to the UCMJ do not affect the WCMJ unless subsequently adopted by the Wisconsin Legislature.

This bill requires DMA to submit a report to the appropriate standing committees of the Legislature annually that summarizes any substantive changes that have been made to the UCMJ during the prior fiscal year, compares the changes to the WCMJ's punitive articles, and makes recommendations regarding whether those substantive changes should be incorporated into the WCMJ. A substantive change is any change that modifies the elements of, creates, or repeals a punitive article of the UCMJ.

The report is due by July 1 of each year. The bill further requires that the appropriate standing committees of the Legislature hold a public hearing on the report at least annually.
