February 7, 2026

The Honorable Tony Evers  
Governor of Wisconsin  
P.O. Box 7863  
Madison, Wisconsin 53707

Dear Governor Evers:

This is in response to your November 18, 2025, appeal of the denial of Public Assistance under major disaster declaration FEMA-4892-DR, which was declared on September 11, 2025, as a result of severe storms, straight-line winds, flooding, and mudslides during the period of August 9-12, 2025. You specifically appealed the denial of Public Assistance for Door, Grant, Milwaukee, Ozaukee, Washington, and Waukesha Counties.

After thorough review of all the information contained in your initial request and appeal, it has been reaffirmed that the designation of the Public Assistance program under FEMA-4892-DR is not warranted. Therefore, your appeal for Public Assistance is denied.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen S. Evans".
