NOTICE OF TERMINATION
Grant Number: UI382552255A55

May 22, 2025

Pamela McGillivray
Deputy Secretary
Wisconsin Department of Workforce Development
201 E Washington Ave
Madison, WI 53703-2866

Dear Ms. McGillivray:

In accordance with [2 CFR 200.340\(a\)\(2\)](#), grant number UI382552255A55, awarded under Unemployment Insurance Program Letter No. 23-21, is being terminated because it no longer effectuates the U.S. Department of Labor's (Department) priorities for its grant funding. The Department is currently undergoing a comprehensive review of the uses of American Rescue Plan Act (ARPA) funding to ensure that the use of such funds is done in the most efficient and effective manner to achieve the objectives of ARPA, and in a manner that aligns with agency and administration priorities. After completing its review, the Department may consider new funding opportunities to achieve these objectives. Taking this action now allows the Department to maintain the flexibility to meet those objectives in alignment with administration and agency priorities.

The termination is effective as of the date of this letter. As part of the termination process, ETA will immediately truncate the grant's period of performance end date to match the date of this letter. Your organization will receive a subsequent administrative grant amendment reflecting this change, as well as an email outlining instructions for the grant closeout process.

Pursuant to [2 CFR 200.343](#), this letter also serves as notice of express authorization that termination costs to the recipient or subrecipient resulting from financial obligations incurred by the recipient or subrecipient after termination are allowable. Requirements for the allowability of such costs are found here: [2 CFR 200.472 \(Sept. 30, 2024\) -- Termination costs](#). As a reminder, all costs charged to Federal awards, including termination costs, must be reasonable and allocable in the performance of the Federal award. See 2 CFR 200.403-405.

For the reasons noted above, the Department has determined that the award does not effectuate agency priorities. This determination constitutes final agency action and is not subject to administrative appeal. If you have questions, please contact ARPAGrants@dol.gov.

Sincerely,

A handwritten signature in cursive script that reads "Janice Sheelor".
