Built Environments Team- Condition Survey for Maintained Schools

Dear School Leader,

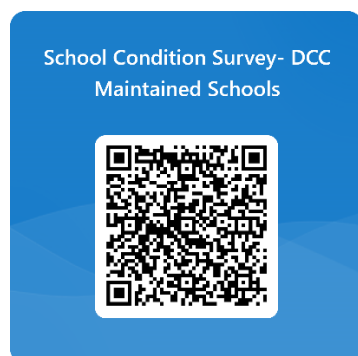

Devon County Council's Built Environments Team (BET) is conducting a desktop review of the maintained school estate, focusing on condition.

As you are aware we have two main data inputs to advise us on the condition of the estate; our internally commissioned building condition surveys conducted every 5 years and the CDC2 surveys led by the DfE. The latter process directly impacts the funding methodology for your site.

I would be grateful if you could review and complete the attached survey by **Friday 6th December 2024** so we can understand your site in more detail.

Please click the link to the form to access the survey or scan the QR Code below to complete on a mobile or tablet device:

If you have any questions, please respond to our mailbox highway.builtenvironmentteamenquiries-mailbox@devon.gov.uk

We thank you for taking the time to respond.

Yours Faithfully
