

# North Foster Carers Christmas Lunch

On 6<sup>th</sup> of December a Christmas party was organised for foster carers in North Devon at Filleigh hall.

Throughout the day there were many activities including carols around the piano, gift wrapping for Encompass SW (homeless charity), cake decorating, raffle and of course the quiz where I think the winners called it using their initiative by using the hall's Wi-Fi. But most importantly Santa came to visit everyone and gave out a little gift just before all sat down and had much awaited Christmas dinner.
