

DEVON FOSTER CARERS' ASSOCIATION

DEVON FOSTER CARERS' ASSOCIATION

was created by foster carers, for foster carers in Devon,

Carers...

...JUST LIKE YOU!

...because we believe that we can support one another in a multitude of different ways

(i.e. by improving communication and support for us all around the County and become a voice of foster carers in countywide and national discussions and initiatives that could affect us and the children we all care for).

OUR AIMS AND OBJECTIVES are;

1. To offer mutual support to for foster carers.
2. To promote good working partnerships between foster carers and the local authority
3. To develop awareness, knowledge and skills
4. To encourage and help foster carers to work well with professionals
5. To represent foster carers as a group
6. To create opportunities for children, young people and foster carers to meet together
7. To promote communication and understanding between carers and others involved in fostering in Devon
8. To work with the Local Authority towards improving the outcomes and life chances for all children in care in Devon.
