

# University for care leavers – what's it all about?

Higher education opportunities for care leavers in the South West

**Are you a foster carer, social worker or personal adviser?**

**Do you support young people in care or care leavers?**

Discover what higher education is all about and how you can help raise aspirations by attending this informal event.

Sessions will look at busting some of the myths around higher education, how to apply for university and student finance. There will also be a student panel.
