Update from Ruth White, Lead Nurse CIC and Care Leavers
Devon ICS, Virgincare

Ruth

Sheri

Having worked for the team since September 2010 in the CIC Nurse role and then as Team Lead since May 2017, liaising routinely with foster carers has been an everyday part of my work. I have met many of you over the years and this is one of the things I will miss.

Sheri Kane has been successful in gaining the post as Interim Lead Nurse and I'm sure many of you will already know her from her CIC Nurse role. And since April there have been other changes with new recruits to the team which now comprises:

Cathy Jermey, Named Nurse for CIC and Care Leavers
Sheri Kane, Interim Lead Nurse for CIC and Care Leavers
Vicki Smale, CIC Nurse
Jade Simmons, CIC Nurse
Sue Dyer, CIC Nurse
Karl Stringer, CIC Nurse
Stephanie Weaver, CIC Nurse
Winnie Zurybida, Bank CIC Nurse

The best way to contact the team is through our central contact details:

Tel: Single Point of Access on 0330 0245 321

Email: vcl.devonchildrenincare@nhs.net – this is monitored daily by CIC Nurses and our Administrative team.

With all good wishes
