Dear parent/carer

HAF (Holiday Activities & Food programme) for families in receipt of benefits related free school meals over the summer holiday period

As part of the government's £220 million scheme to support families during the summer holiday period, Solihull Council are providing healthy food and enriching activities to families in Solihull. The eligibility is based on means tested income grounds, not the universal free meal for KS1 pupils.

If you meet the free school meals benefits criteria, you will be able to book onto a variety of activities across the borough at no cost.

Click <https://socialsolihull.org.uk/localoffer/summer-activities/> for details.

Please forward this information to anyone you think may be eligible.

See this [government video](#) promoting the programme, featuring well known free school meals campaigner, Marcus Rashford,

Yours sincerely
