

## Directions from Front Gate to Parking Lot

When you come in the front gate off of Goodfellow Blvd, you will need to have your photo id out and ready to show the guard. You will be told to drive into the visitor's parking lot and go into the guard office to sign for your parking pass.

Once you have signed for your parking pass, you will turn right out of the visitor parking lot. Follow the map to go to parking lot D, which will be on the right hand side. You may park in any open space. Once you have parked, call me at 314-457-5594 and I will go to the elevator to meet you.

Go into the front door of building 105 and follow the hallway to the elevator. I will be waiting for you right by the elevator to bring you up to the training site.

Sincerely,

Coyita Mosley
