

The ebtEDGE app

The ebtEDGE app simplifies your life when you depend on SNAP benefits, allowing you to view your benefits while on the go. ebtEDGE allows you to check your balances and review your transaction history all in one convenient place – all for free! It's the most private and secure EBT application on the market for iOS and Android.

Benefits include:

- Deposit history
- Transaction history
- Benefit schedule
- Locate SNAP retailers near your location or where you are going to with the location services
- Set your language preferences to English or Spanish
