## **Federal Government Shutdown Delays FoodShare Benefits**

Because of the federal government shutdown, **November benefits for current FoodShare members will be delayed.**

The shutdown must end before members can begin getting benefits again. FoodShare benefits are 100 percent funded by the federal government.

Benefits may not be available in November. This may include any funds remaining on your card at the end of October. You may want to use your benefits to stock up on food before the end of October. Call 211 to find out about other sources of food assistance in your area.

After the shutdown is over, we will send another letter like this when benefits are available on member cards. We will also share information through the news, social media, and on the Wisconsin Department of Health Services website ([dhs.wisconsin.gov/foodshare/news.htm](https://dhs.wisconsin.gov/foodshare/news.htm)).

Other state programs like BadgerCare Plus, Medicaid, and SeniorCare are not impacted by the shutdown.
