# NEW SAMHSA IPS Toolkit

Substance Abuse and Mental Health Services Administration: Individual Placement and Support (IPS) – An Evidence-Based Supported Employment Model Toolkit. Publication No. PEP25-01-002, Substance Abuse and Mental Health Services Administration, 2025.

# IPS Family and Peer Advocate Resources

The IPS Family and Peer Advocates Committee educates IPS teams and partners regarding the important roles that family can have in supporting someone through the process of job seeking, working a job, and advancing in a career, sometimes with further education.

# IPS Equity Resources

The International IPS Learning Community's Equity, Diversity, and Inclusion Committee's goal is to promote ongoing learning and sharing that increases equity, diversity, and inclusion throughout the IPS Learning Community and all IPS partners.
